

REMARKS

The Notice of Non-Compliant Amendment mailed July 30, 2008 indicates that the amendments to the specification are improper, as they do not include markings of how the text was amended.

Applicants have now provided underlined text to indicate added material, and believe that the amendment to the specification is now in proper form. Applicants regret the oversight and apologize for any confusion caused thereby.

Respectfully submitted,

Andrew T. Hyman  
Attorney for the Applicant
